Re: *In re Oak Rock Financial, LLC*, United States Bankruptcy Court for the
Eastern District of New York, Case No. 8-13-72251-reg

Dear Judge Grossman:

This firm represents Israel Discount Bank of New York ("IDB"), individually and as Agent for the lenders to Oak Rock Financial, LLC (the "Debtor"). We write to confirm, as Chambers previously was advised, that IDB and the U.S. Small Business Administration, as Receiver for Redstone Business Lenders, LLC (the "SBA"), have agreed to adjourn the hearing on IDB's objection to the SBA's proof of claim (Claim No. 72), set forth in the Omnibus Objection of Israel Discount Bank of New York, as Agent, to Proofs of Claim (Dkt. No. 963-1) to October 21, 2015 at 1:30 p.m. All other objections in the Omnibus Objection Proof of Claim are unaffected, and remain scheduled to be heard on October 7, 2015 at 1:30 p.m.

We appreciate the Court's attention to this matter.

Respectfully,

A handwritten signature in blue ink, appearing to read "Adam C. Silverstein".
